Christmas comes early at Santa's

Burnley Express – April 1995

Staff at Santa's Pizza are in festive spirits after receiving a prestigious award. Christmas has come early at Santa's after the firm became the one of the first outlets in Britain to gain the right to display the Pizza and Pasta Association "Symbol of Excellence."

The symbol is awarded to pizza companies which show a mark of quality, from the way to which they run their business to the tasty pizzas they serve up.

Santa's in Colne Road Burnley, achieved the Symbol of Excellence after consultants put its standard of hygiene, quality control and management under the spotlight.
